General Information:

Jen@bendingbranchwinery.com

Bending Branch Winery is a boutique vineyard and winery on 56 scenic acres in Comfort, TX. As a family, in founding and managing our Vineyard/Winery Operations, we are very passionate about sustainability in both our Viticulture and our Winemaking. At 1,600 Ft. altitude, our 13+ acres of vines include 13 varietals and have been carefully selected to properly suit our Texas terroir.

Among our Award Winning wine are Petite Sirah, Picpoul Blanc and Tannat. While Tannat, our signature red grape, has quickly emerged as a natural for the Lonestar state, we have found great success with Cabernet Sauvignon, Vermentino, Roussanne and many more. Bold in flavor, and hardy in nature, Tannat wine is gaining recognition and popularity as a world class wine.

Since 1988, Sister Creek Vineyards has been located in the heart of the Texas Hill Country in Sisterdale, Texas (Pop. 25). Bordeaux and Burgundy wine making techniques are employed to produce our Chardonnay, Pinot Noir, Cabernet Sauvignon, and Merlot wines. These traditional wines are aged in 60 gallon oak barrels for up to three years. In combination with our barrel aging, minimal filtration methods are incorporated so the wines will retain their fullest flavors. In addition to these wines an Italian style Muscat Canelli is also produced. The winery is located between the cypress lined East and West Sister Creeks in a restored 1885 cotton gin
